### 4. 881 Erskine Street, Brooklyn

The [Arker Companies](#) and Fountain Seaview One Housing Development Fund Corporation wants to build a nine-story, 129,068-square-foot building at 881 Erskine Street, according to a permit filed with DOB. The building is part of the Fountains, an eight-building affordable housing development in East New York, according to New York YIMBY. It would feature 144 units across 118,462 square feet. The building would also have 10,606 square feet of commercial space, the filing shows.

[Aufgang Architects](#) is the architect of record. Three buildings will make up the first phase of the project, YIMBY reported. A permit application for another building at 702 Vandalia Avenue was also filed, according to the publication.
